Wireframe

The wireframe illustrates a travel website layout. At the top, a header bar includes a logo, navigation links for About, Testimonials, Download, and Contact, and a search bar placeholder 'Travel Limitless' with the sub-instruction 'Your needs are special, so are our services!'. Below the header is a 'About' section containing a brief introduction. The 'Features' section lists three main features: 'PLAN' (personalizing travel plans), 'EXPLORE' (extensive data of accessible destinations), and 'ENJOY' (peace of mind through support). To the right, a 'Testimonials' section displays six testimonial cards, each with a user profile picture and the word 'Name'. Below these are sections for 'Frequently Asked Questions' (with four questions listed) and 'Downloads' (with a 'Mockup' button, a Playstore CTA, and an Appstore CTA). The 'Contact Us' section at the bottom includes an email address (support@mobilitymate.com), social media links, and a CTA button.
